## **EDUCATION**

### **Lake Superior College, Duluth**

August 2018 – July 2019

Graduated with a degree in web and computer programming. Subjects included HTML, CSS, Javascript, PHP, jQuery, Wordpress and MySQL databases.

### **Treehouse, Online**

June 2017 – April 2018

I utilized Treehouse with its structured learning format and knowledge comprehension evaluations to build my foundation in HTML, CSS, Wordpress, Javascript, JQuery, Sass and Bootstrap.

### **University of Minnesota, Morris**

August 2014 – June 2017

I attended the University of Minnesota Morris campus with a major in Computer Science. There I received a liberal arts education, importantly I learned Python, Java and a foundation in predicate logic and algorithms. I withdrew after my junior year wanting to focus on web development.

### **Centennial High School, Circle Pines**

2012 – 2014

Graduated with a GPA above 3.0. My introduction with web development began when I took a web design/development course using Dreamweaver during my 10th grade year.
